

## PEGASUS COURSE CAPABILITY STATEMENT

Pegasus courses integrates a diverse range of innovative training solutions as a Registered Training Organisation (RTO).

With vast industry experience and quality learning resources, Pegasus courses are ideally situated to meet your local and national training requirements. Pegasus delivers nationally accredited courses, business to businesstraining programs as well as customised solutions. All Pegasus courses comply with Standards for National VET Regulator Registered Training Organisations and NSW WorkCover training standards, while maintaining the appropriate level of customisation for client-specific needs.

Pegasus offers a range of Fee for Service and 'State Training Services Approved Funding' \* traineeships for new entrant workers. Our delivery of these can be a combination of structured classroom or employment based training and all students (trainees or existing workers) receive a nationally recognised qualification by Pegasus.

Pegasus also offers on site operator training for heavy equipment, including electric and mechanical drive trucks, water carts, excavators, dozers and various other pieces of machinery.

\* Funding is subject to approval
